Supervisor: Asc.Prof. Dinh-Toi Chu and Dr. Nguyen Thi Bich Loan

I hereby declare that I have revised my master thesis as required by Master Thesis Examination Committee:

Point	Requirements by the Committee	Detailed revisions	Pages
1	The thesis title uses the term "Systemic Analysis," whereas the methodology employed throughout the study is a "Systematic Review." These terms have distinct meanings in scientific research and should not be used interchangeably. The title should be revised to accurately reflect the research methodology.	Revise the term “Systemic Analysis” to “Systematic Review” in the Title and all pages where the term “Systemic Analysis” appears.	Front cover 1, Front cover 2, Certificate of Originality, pages 29, 60

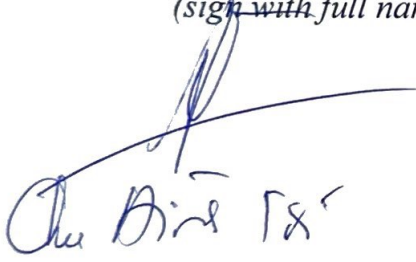

2	The cover page incorrectly describes the document as an "M.A Thesis Proposal" rather than a completed Master's thesis.	Replace "M.A Thesis Proposal" with "Master's Thesis" on both the front cover 1 and 2.	Front cover 1, Front cover 2
3	The Certificate of Originality contains the phrase "dependent research" instead of "independent research," resulting in an unintended semantic error.	Replace the term "dependent research" with "independent research" on the Certificate of Originality page	Certificate Of Originality

**Students are required to send a soft copy of the master thesis with highlighted revised points and a soft copy of original master thesis via email (postgraduate@isvnu.vn).*
